Weaving a Better Life

An ISO 9001:2015 Certified Company

Started with a small shop in a dingy alley Raghav has fairly come a long way in these past 24 years, all thanks to our founder's uncompromising commitment towards quality and strong work ethics Due to his vision RAGHAV has now become a household name in Uniform sector all over India.

He is pushing 50 but when you meet him you can still see the same spark in his eyes when he started this business. And if u ask him what his greatest accomplishments. are? He will tell you it's the relationships he has built over all these years is what he cherishes the most.

Raghav has an annual capacity of 12 million meters and weaves the most beautiful designs and patterns for the next generation of our nation,

The solid colours are dyed with our colour lock technology which gives the fabric a longer life and brighter look. Water repellent, fire repellent, anti-bacterial fabric finishes are done regularly to meet the growing customer demands. The soul of our company is keeping our products portfolio uniform and always ready for its customers.

We are so excited that you are embarking on this journey with us.
